MID-COUNTY UNITED MINISTRIES

ANNUAL REPORT FISCAL YEAR 2022

JULY 1, 2021 - JUNE 30, 2022

Highlights

As the fallout of the Covid pandemic continued to put additional pressure on our neighbors and on our organization, MUM continued to ride out the health crisis by working collaboratively with community organizations to meet the high level of need.

- *In FY22, **99% of visits to MUM were for food assistance**. MUM provided nearly 247,000 pounds of fresh produce and nonperishable food this fiscal year.*
- *MUM continued to operate **4 mobile food pantries per month** as the primary means of providing food safely to our clients during the pandemic. By the end of the fiscal year, we were able to begin opening our Wheaton office free-choice food pantry.*
- *Funding from the **Montgomery County Department of Health & Human Services** ensured that clients received fresh produce at our food pantries. Funding from the **Emergency Assistance Coalition through Interfaith Works** ensured that MUM was able to provide financial help to those who were at risk for eviction or utility disconnections.*
- *Continued support from the **Capital Area Food Bank, Manna Food Center** and the **Maryland Emergency Food Program** helped keep food on the table for many of MUM's community members.*
- *MUM was also grateful for grant support from the **Carl M. Freeman Foundation's FACES (Freeman Assists Communities with Extra Support) Grant**, the **Enterprise Holdings Foundation,** the **Starbucks Foundation Neighborhood Grant** and others.*
- *MUM gratefully acknowledges the support of our partners, grantors, donors and volunteers. Without their generosity, we would not have been able to feed the thousands of residents who came to us for food and help with other financial emergencies throughout this fiscal year.*

MUM helps people in crisis in the Silver Spring, Wheaton, Kensington, Rockville and Aspen Hill communities with food, medicine, eviction prevention and utilities, emphasizing client choice, problem-solving and self-sufficiency.
